ONBOARDING

The purchase of an onboarding package is required with every ManagerPlus software purchase. The appropriate onboarding package is determined by the ManagerPlus edition, plugins and add-on's you purchase. Your Account Executive will discuss with you the best options to ensure your pathway to success.

* Pricing is based on annual purchase

** Purchase of any ManagerPlus Plugin requires the purchase of the 90 Day Premier Onboarding package

† Requires the purchase of the Request Management to utilize ManagerPlus portals

‡ All pricing is subject to change, please request a quote from your Account Executive for our most accurate pricing
